

#domino2025

Dearest Domino fan,

Happy Valentine's Day from the Domino family! In honor of this special day, we've written you a poem.

Roses are red,
Violets are blue,
We'd really like to share
Domino v10 with you!

From the very first time we jammed together, we knew you were something special.
So special that we chose you to be part of our plan for all creation.
Thank you for your time, passion and commitment.

We heard you!

We now want to sweep you off your feet by inviting you to an exclusive webcast on what to expect from v10 of Domino, Notes, Verse and Sametime Chat in 2018.

Hear how we are funneling your collective wisdom—our clients, champions, business partners and ISVs—into a strategic plan of action to reinvigorate the Domino platform. Get ready for application development, mail and chat for the 21st century, and a world-class mobile experience so you can conquer the most important business challenges.

What's next for Domino

Be among the first ones to hear about the new Domino v10 capabilities that will wow you, and get technical with proof-of-concept demos from the HCL labs that will leave you wanting more. We will also share the details of our new engagement program so you can get hands-on with the code, be an active part of the community and experience a Domino platform that is modern and future-proof.

Together, IBM and our strategic partner HCL are going to deliver on our commitment to a major release in 2018. This hour-long virtual session is a new chapter in a life-long romance! Get ready for a year of grand gestures. Starting now.

Date: Wednesday, February 28th

Time: 11:00 am ET, 17:00 CET
